MEMORANDUM FOR: Chief, Materiel Branch

25X1

ATTENTION:

25X1

SUBJECT: Briefing Panels for  Operations Building

1. It is requested that action be taken to provide for the installation of sliding panels in the briefing room  operations building. Specifications follow: 25X1

a. Three pair of 7' x 8' panels mounted on rails against the East wall of the briefing room.

b. Rails should be installed the entire length of the East wall whereby panels can be stored against adjacent walls.

2. Installation of panels should be completed prior to building occupancy which is presently programmed for 1 June 1961.
